Two Truckee Fires Are Investigated; Arson Suspected

Forest service officials of the Truckee District of the Tahoe National Forest are investigating the cause of two fires along old Highway 40 just east of Truckee during the weekend. Both were man caused but whether incendiary or accidental was not immediately determined.

The first occurred at 5 p. m. Friday three miles east of Truckee but was held to a quarter of an acre by the fast work of the suppression crews.

The second starting, a mile east of here, charred six acres of brush and small timber before it was controlled by the combined efforts of the suppression crew, the Folsom inmates, seven bentonite planes, two bulldozers and the Truckee Volunteer Fire Department.

The planes were from Nevada City, Beckwourth and Minden. The fire started about 2 p. m. and was extinguished two hours later.

Two other incipient fires were reported during the weekend. Saturday night at 10:30, a threatening man-caused fire burned over half an acre near Fox Street north of Kings Beach and Sunday at 9 a. m. a hold-over lgihtning fire flared up three miles southeast of Homewood but was held to half an acre.

The 32-man "hot shot" crew from Folsom prison after working on the fire east of Truckee Sunday rushed to the Trinity-Shasta district to engage in a major forest fire.

Planes and ground crews quickly extinguished a small forest fire on Boca hill Tuesday at 4 p. m. The half-acre blaze was believed caused by a hold-over lightning stroke.

Causey Winner In Reno Auto Races

Harry Causey of Truckee and Ron Wells of Reno captured the feature races in the tough field of stock car and hardtop competition at the Reno speedway Saturday in the "Save a Child Ditch Fund" charity races.

Benny Davis, Truckee, lost control of his car after winning the stock car trophy dash and hit the crash wall. Earlier in the evening Davis set a new track record for stock cars when he made the one-fifth mile track in 19.72 seconds.

Ron Gautsche of Truckee was second in the third heat hardtops and fourth in the hard top main event.

DRIVERS ARE HELD ON DRUNK CHARGES

For the first time in several weeks there were no serious motor vehicle accidents in this area, but three drivers were hailed into court by the California Highway Patrol for driving while intoxicated.

Claude P. Watson, Auburn was cited Sunday by Patrolman Martin Sturcke and his bail was set by Judge F. W. Wilson at $412. David Lee Church, Petaluma, was cited Saturday by Patrolman Bud Meixner and bail was set at $458 by Judge Wilson. Charles T. Bennett, Squaw Valley was cited to appear in the Tahoe Judicial District Court before Judge Robert Fugazi, by Patrolman Edward McCallen on Friday.

Two Vacancies On Board To Be Filled By Writein Votes

Instead of one there will be two vacancies on the governing board of the Truckee Sanitary District to be filled by write-in at the special election September 11.

This was revealed last week when, because of technicality, James McIver failed to get his name on the ballot as an incumbent director. Nevertheless, McIver said he would be a candidate for re-election to the post he has held for many years.

"I wish to continue to serve on the board and if elected will continue to do the best I can," McIver declared. I solicit your support, but above all ask that regardless of your choice of a candidate, you go to the polls and vote."

Only one name, that of Charles Osburn, incumbent director will appear on the ballot. Osburn, too, is a veteran member of this important board. Joe Mattos, the other incumbent who has left the district, is not a candidate and his office will be filled by write-in.

Those who have publicly announced their candidacy as write-in are McIver, Mrs. Muriel Frey and William Birdsell. Others are reported to be considering entering the race which promises to be a lively one.

Hold-over members of the board are Robert W. Seibold and William Curran.

An interested audience learned of Truckee's early history Tuesday evening when Mrs. J. E. Kaler was the guest speaker at the meeting of the Assumption Guild.

Patrol Sets Record In Trip To Bay Area

Probably the fastest motor trip ever made between Tahoe City and Berkeley was made Monday by a relay of California Highway Patrol vehicles but the two hour and 47 minute trip was not without purpose.

According to the patrol, eight year old Kevin Tansey of Kings Beach was bitten by a dog August 7 and later the animal died from unknown cause. Rather than take a chance that the dog was not rabid, it was decided to send the head to the state laboratory at Berkeley for analysis.

With the time limited to three hours to make the test, Patrolman Wayne Hopkins left Tahoe City at 8 a. m., transferred the head to another patrolman at the end of the local district and from there until the final patrol reached Berkeley, the speedy relay continued from district to district, the final car reaching the destination just 13 minutes short of the deadline.

Results of the test are being eagerly awaited.

A small affair to initiate the field will be held on that date but the formal dedication will not be held until spring, Cecil Edmunds, governing board secretary, announced.

At a meeting of the board Tuesday night a discussion was held relative to revising the budget and to renew an application to the federal government for funds to provide field lights, beacons and a larger parking apron. A request for $94,000 was rejected by the FAA for a taxiway which officials contended was not presently required.

Lewis, Eddie Fisher and Juliet Prowse.

Mel Young, the funniest record-pantomimist in the nation, appears with Sinatra during Frank's repeat run. It's anybodys guess who Sinatra will call from the wings or audience for a guest appearance which invariably throws the show into a hilarious ad-lib fest completely sans an semblance of routine.

We now have a noon whistle—courtesy of the Tahoe City Volunteer Fire Department. Every day, including Sundays, there is a five second signal which is set off automatically promptly at 12 noon.

DIVOT DIGGERS

By BETTY KIELHOFER

Auburn cancelled out last week and couldn't make it up Sunday for our scheduled tournament and I suppose it was just as well because many of our local players were playing both Saturday and Sunday in the Tahoe City Annual Invitational.

Many of us who weren't able to golf attended the barbecue anyway and it was wonderful to see so many old friends. Just a sprinkling of them were people such as Bernie Bechdolt, as pretty as ever, M. O. Johnston and Lillian, who were both in good form, 'Duffy' in his perpetual jocular mood—Dave Karcher, the LePires, the Bakers, the Holleys—I could go on and on but just don't have the space.

Mr. Barrett should be very proud as so many of them said they never miss an issue of this paper and love keeping up with what's happening down our way. There were many inquiries about our golf course with everybody wishing it well.

Mike Popovich brought home the gross trophy this year and proud he should be. That's a real accomplishment with so many terrific golfers playing.

In Truckee, our championship matches are going off beautifully. Most of the players were put into one flight originally. After the first game, which is played without handicaps, the winners are in the championship flight and the losers automatically went into first, where they will be playing from now on with handicaps.

This is how it stands at present. The men in championship are as follows: Bob Moore, Bob Leamon, Frank Giovannoni, Karl Kielhofer, Ange Besio, John Waller.

Some of the men have played two games and are out altogether so I'll just mention the current players. In 1st flight through the process of elimination are Mike Popovich, Charles Fink, Sherm Reams, Clarence Osburn and Bob Tonini.

For the ladies in championship, we have Rita Vail, Vina Clepper, Dot Leamon, Mike Ellis, Mary Ann Haswell, Liz Carroll, Georgianna King and myself.

In 1st flight are Betty Layton, Virginia Paddock, Marge Walker, Ethyl Osburn, Eve Popovich, Ruth Waller, Majel Rose, Patti Fink and Carol Tollefson.

Next week each of these players will have played another match and we'll tell you whose still in the running. Hope those who are lagging will play off soon. There have been some very unexpected upsets so far, especially among the men. This is what keeps the game interesting and keeps everyone coming back for more.

By the way, have you met Bili and Betty Layton? Two very nice new members at our course and so well liked already. They just 'struck' water in their brand new subdivision. Much luck to both of them.

LOCAL PROJECTS ARE APPROVED BY BOARD

The Placer County Planning Commission last week approved three building projects in this area and accepted tentative maps of local subdivisions.

Alpine Meadows, Inc., was granted a permit to install a new chair lift, make additions to the lodge and install a sewage treatment plant in Bear Creek Valley.

The Sugar Bowl at Norden received approval for construction of a two-level concrete parking garage.

Squaw Valley Development Corp. was granted permission to build four double chair lifts.

Tentative maps approved included an addition to Blackwood Terrace in the Tahoe area.

It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . . the same year that

IN CALIFORNIA, the San Francisco Stock Exchange Board was founded, and opened to frenzied trading in the Virginia City mining stocks. Whether stocks went up or down, California's financiers knew that, for sparkling refreshment, beer was a good investment.

For then as now, beer was the traditional beverage of moderation. But beer means more than enjoyment to our state. The Brewing Industry pays more than 12 million dollars in taxes to the State of California each year, money that helps support our hospitals, schools and parks.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

Women's Club of North Tahoe president, Mrs. William J. Coulter of Incline Beach, and Mrs. Joseph Aversente of Campbell, president of the Campbell Garden Club, have completed arrangements for the Holiday Work Shop discussed at the board meeting a week ago. The work shop will be held at the home of Mrs. William A. Howe at Howe's Holiday House at Tahoe Vista. Classes will start on September 26 until October 10. October 11 will be exhibition of the work the classes have completed, guests and friends of the class as well as interested persons in the community are cordially invited to view the handiwork.

Lee will give work shop lessons in ceramics, work with marbles, pearls, seeds, cones, shells, glass and plastics, flower arranging, corsage making, the new artificial fruit work. Night classes as well as day classes are planned at a nominal fee. Lee has just completed another course and will bring all the new and exciting ideas to the classes.

Refreshments and coffee will be served following each days class. Phone Helen Howe at LI 6-2369, Louise Walter, 6-2131, Mabel at LI 7-3366 or Alice Hall at LI 6-2609 to enroll or for information.

Our deepest sympathy is extended to the family of Lois Becker French. Mrs. French passed away on August 22 and had been residing at the home of her daughter, Mrs. Carl Dwyer at Kings Beach. She was born June 22, 1880, at Rattlesnake near Newcastle, Placer County, a descendant of an old pioneer family of that area. She was the widow of the late Bert French who was also a descendant of a pioneer Lincoln family. Both were prominent in Placer County as well as San Francisco where they resided many years.

Mrs. French was active until the day of her death which was caused by a heart condition. She celebrated her birthday at Harrah's when she greatly enjoyed seeing the Lawrence Welk show with family and friends.

Four daughters survive, Mrs. Florence Manard of Sacramento, Mrs. Edward (Dorothy) Hall of Oakland, Mrs. Henry (Bernice) Maltby of Oakland and Mrs. Carl (Mary) Dwyer of Kings Beach, a sister-in-law, Mrs. Albertina French Nimetz of Alameda, four grandchildren and twelve greatgrandchildren.

Services were held at the Methodist Church in Lincoln with burial in the family plot at Manzanita Cemetery near Lincoln.

Mrs. French's death is a personal loss as she and my mother Martha Lewis Holmes, who is 84 and lives in Yuba City, were lifelong friends.

The Truckee-Brockway shortcut has a new name and it is hoped the public will soon be using Skylake Blvd. when referrnig to the road. Considerable work — two years, in fact,—has been done by Joe Fulton and committee on this street naming and numbering program. After viewing the maps, etc., it may be said that is no small undertaking.

Shopping at the Riviera—if only it was on the Riviera—find that come Labor Day the gals depart for various schools. Joyce Crinklaw will be back to University of California at Berkeley, Judy Graves returns home to Carson City and Carson High School while sister, Mary Kay, will go to Santa Clara University. Mary Kay spent her first two years at Seattle University.

Speaking of the Graves girls, brother, Richard, will go back to San Francisco City College for his second year. He spent the summer operating Rick's Chicken Coop at Kings Beach. The family spent the summer at their Incline Beach home and all return to Carson City shortly.

Mrs. Robert Forrest, summer Kings Beach resident, was the guest of honor at a luncheon given her at Globins before her return to Palm Springs.

Cocktails were at the home of Dorothy Walters. Present at the luncheon were Mrs. Carlton Hickman, Mrs. Phil Davenport, Mrs. John Johnson, Mrs. Parvin Shaw, Nina Globin and the guest of honor, Melba Forrest.

North Tahoe Public Utility District will hold a meeting at the plant on National Avenue, Tahoe Vista, on September 4, Tuesday, at 2 p. m. The public is urged to attend the meeting. C. E. Edmunds of Truckee will also be present at the discussion.

Long time friend, Betty Verrill of Sherman Oaks, was a surprise visitor to Bill and Helen Elliott at Tahoe Vista. Accompanying Betty on her Tahoe vacation was Doris Bach of Beverly Hills.

Don't forget that September 13 is the deadline for registering for the November election. Registrars are scarce in this area so it would be advisable to go register before the last day—Velda Farris can be found at the Lake Tahoe-Sierra Chamber of Commerce office in Kings Beach, M. H. Dodd and Prudence Dodd at M. H. Dodd and Company in Kings Beach and Marie Henry in Tahoe City.

Phil and Pete Valentine and children are having fun at the cabin of Jerry and June Richards of Sausalito. Nice neighbors.

STOCKHOLDERS AT ALPINE HEAR REPORT

At the recently held annual stockholders' meeting of Alpine Meadows, it was discosed that, in spite of a somewhat delayed start of operations this last winter, Alpine Meadows just concluded a most successful first season of operations and is looking forward to a much bigger one this coming winter. The reason for this optimism is that a new Riblet chairlift as well as a new Tigel lift is now being constructed. This, as well as a number of other new improvements such as an enlarged parking lot, a larger porch at the lodge, will greatly improve the area, alleviate congestions and permit a large number of skiers to come into the area.

At the same meeting it was also approved that the incumbent president of the Lake Tahoe Ski Club, Herb Kahn of Tahoe City will now serve on the board of directors of Alpine Meadows as a board member ex-officio.

A permit has just been issued by the California Corporation Commission for Alpine Meadows to issue and sell $300,000 of additional stock. Anyone interested in the details may contact Alpine Meadows' San Francisco office at 420 Market Street or Herb Kahn, who will then send them a prospectus. This should be of great interest to many skiers in this area, since $75 worth of ski-lift privileges each year go with each 100 shares of stock.

TEL-STAR PROGAM SLATED FOR SHOW AT LAKE SEPT. 6TH

CRYSTAL BAY — Jack Domerque, manager for the Pacifc Telephone Company in the Lake Tahoe area, announced through the office of the Lake Tahoe-Sierra Chamber of Commerce that his company was sponsoring a showing of the new Tel-Star Satellite at the Crystal Bay Club September 6. This will be the first public showing of the communication, Satellite in the Sierras, Domerque said.

Arrangements for the showing have been handled by the Lake Tahoe-Sierra Chamber of Commerce and a no host dinner is scheduled at 7 p. m. preceding the demonstration by Jack Thomas, telephone public relations representative. A chamber spokesman remarked that seating for nearly 300 persons would be available in the Crystal Bay Club's banquet room and that to avoid disappointment persons who plan to attend should make advance reservations through that office in Kings Beach. The Chamber's telephone number is LIberty 6-2501.

FROST FAMILY WINS IN TAHOE REGATTA

LAKE TAHOE—Three members of one family nailed top prizes in the annual Lake Tahoe Yacht Club Regatta held August 19 at Chambers Lodge.

Top prize winner was Bob Frost of San Leandro, 21, a student at the University of Nevada, who won the C. E. Townsend perpetual trophy, the Commodore's Cup, which is the oldest trophy in the race and was originally awarded by Commodore Charles E. Townsend in 1931.

W. C. Frost, father of the young trophy winner, won the Edwin Letts Oliver "Bang and Go Back" perpetual trophy with his "Puffin" a 22 foot inboard runabout, while on the distaff side of the family, Frost's daughter won the Ladies' Championship trophy for the third successive year.

The Frost family have a summer residence at Homewood.

SQUAW PASTOR WILL ATTEND INSTITUTE

SQUAW VALLEY — Rev. Frank Evans has been invited to share in a 10-day session of the institute for advanced pastoral studies in Bloomfield Hills, Michigan and the family will be gone during the month of September.

On Sunday, September 9, Rev. Walter Press, associated minister of the Northern California Conference of the United Church of Christ, will be the first in a series of guest ministers.

There will be no youth activities at the church during September, Rev. Evans announced.

TRINITY POWER WILL BE ALLOCATED SOON

The department of the interior Friday advised Congressman Harold T. (Bizz) Johnson that 250,000 kiolwatts of Trinity power from the Central Valley Project will be allocated immediately to eliminate present uncertainties and allow preference customers to make firm plans to meet their requirements.

The Truckee Public Utility District has made application for power from the Trinity project and has been advised that it is on the preference list, according to Manager Francis Longo. However, there is still a wheeling problem to be considered to bring the power to this area which is delaying action. This problem may be answered in the near future, Longo said.

Assistant Secretary of the Interior Kenneth Holum advised Johnson that specific allocations for communities will be announced shortly and Johnson expects additional substantial allocations to be revealed at an early date, according to a telegram to the Sierra Sun Saturday.

VALUATION INCREASE REPORTED IN COUNTY

SACRAMENTO—(CNS) — California's assessed tax base for 1962 will produce $2.6 billion in property taxes, the state board of equalization announced.

The board completed its assessment of utility properties, totaling $4.2 billion dollars. Other property, assessed by counties, amounts to $29 billion, the board said.

Assessed valuation of county-assessed property in Nevada County amounts to $30,414,000, and of state assessed utility property, $15,778,000. Increase over last year amounted to 7.05 and .21 per cent decrease in utility assessments.

California has 203 companies subject to state assessments, and the taxes to be paid by these concerns will total around $325 million, the board said.

Total tax base will be over $33.3 billion dollars, which is 5.7 per cent greater than last year.

Of the state's 58 counties, 48 showed an increase in utility property assessments.

GO-CARTS ARE HELD ILLEGAL BY PATROL

Lt. O. P. Ledford, officer in charge of the California Highway Patrol's Truckee Substation, reminded residents that it is illegal to operate go-carts on public streets or highways.

"These small motorized vehicles are barred from public roads because they do not comply with vehicle code requirements for lights, brakes, turn signals, horns and mufflers," he said. "Even if go-carts could be legally equipped, the driver would be required to have a valid operator's license."

He also pointed out that operation of go-carts on public streets is extremely hazardous. It is difficult for the automobile driver to see the carts because of their low silhouette.

"Parents should realize that they are criminally liable if they allow their youngsters to operate these go-carts illegally. I urge them to make sure that use of these vehicles is restricted to private property, where the chance of a tragic accident is reduced."

Thrills Galore As Outboards Race For Championship

By Carson White

Hold your ears and take a relaxing pill Sunday, September 16, if you intend to watch the exciting hydro boat races at Donner Lake.

Speeds up to 100 miles per hour will be attained by the flying "alky burners" as they vie for honors on the circular course set at the west end of Donner. Eleven classes of boats will compete for prizes put up for grabs by the Donner Lake association at the annual outboard regatta.

Five racing runabout classes and six racing outboard hydros will be included in 22 heats starting at 10 a. m. The meet is sanctioned by the American Power Boat Association and conducted by the Northern California Group.

Sacramento's Janet Herrick will compete with the best men available in the B hydro race. Regional champ John Alden and Jerry Van DeVeere of Reno will give her a good run for the crown. Other standouts include Jerry Major, Robert Hanie and Dave House who will also run the five-lap course.

Harry Bartolomei of San Leandro, national D racing runabout champion, will also display his skill. Truckee fans will root for Jan Helder, Donner resident and high school student at Marysville. He is regional champ in the B racing runabout class. National F racing runabout champ Chuck Parson of Lodi was also an early entry, not as a driver, but referee. His boat, "Chuck Wagon" will be driven by Don Biagio of San Francisco. Another regional champion, Jerry Van De Veere of Reno will compete.

Motors from all over the world will be used in the five hour meet and prizes will be awarded at Donner Lake Lodge late in the afternoon. A special bottle trophy will be awarded as usual . . . for the most spectacular spill. Marsh will do the honors. An afternoon barbecue on the Jamison Beach open to the public will be sponsored by the Donner Lake business group boosters.

MAXWELL, AFB, Ala.—Civil Air Patrol Cadet Donna L. McReyonlds, 17, daughter of Mr. and Mrs. E. C. McReynolds of Truckee, climbs aboard an Air Force T-33 jet trainer during the CAP Aerospace Age Orientation course just concluded here. Cadet McReynolds, who was given an orientation flight with an air force instructor pilot, was one of 52 outstanding young cadets selected for this CAP-Air Force activity. The Civil Air Patrol is an official auxiliary of the United States Air Force.

CONVENTION BUREAU WILL INCORPORATE

Articles of incorporation for the Squaw Valley-North Lake Tahoe-Truckee Donner Convention Bureau, a non-profit corporation, were on file with Secretary of State Frank M. Jordan today, the Capitol News Service reports.

Directors were listed as James R. McCafferty, Box 227, Clarence Richards, Box 881, both of Tahoe City, and Fred M. Schultz, Box 186, Kings Beach.

The bureau was formed recently for the purpose of promoting conventions in this district and to provide housing and other accommodations for groups interested in coming here.

LIONS ENJOY DINNER WITH FOLSOM MEN

By Carson White

The Truckee Lions went to prison Wednesday. They filed single file into the quonset hut dining room at the Folsom prison inmate camp near Hobart Mills and tested the bill of fare there.

Lt. Ed Broker was true to his boast that food served by his staff would match any cooked in the Truckee area. This was the unanimous opinion of the 22 temporary inmates of the camp.

The inmates were picked for good behavior in Folsom to attend the camp and serve as emergency fire fighting forces. All 28 are almost through serving their terms and are either up for parole or have just a few months left.

Onion soup followed by Caesar salad, brockway baked potatoes was just an appetizer. The Polynesian marinated steak was out of this world. The finale, banana cream pie baked like mother never learned topped off the gourmet dinner. Among the guests was George Steed, forest service ranger.

FEW EXCEPTIONS FOR IMMUNIZATION RULE

The students preparing to enter regular public school classes next month will have to be immunized against polio or get their shots or pills within two weeks.

The only exception to the requirement will be children of parents who have religious beliefs against immunization. In such cases, a statement must be signed by the parents.

The 1961 law requiring immunization of school students actually hasn't had any effect up until now. There was time needed for the adoption of regulations to implement the law, with the result it didn't take effect until last January. But it applied only to new enrollments and did not affect those already enrolled.

MAJOR OPERATION

Frank Francischini has returned home from the Southern Pacific Hospital in San Francisco where he underwent a major heart operation.

Family Meets—

Mrs. Tony Polyanich of Reno was a business visitor this week following a vacation spent at Lake Tahoe with her son-in-law and daughter, Mr. and Mrs. Keith Weeden and children who returned to Oakland.

Arm Injured—

Mrs. Daisy Foote is carrying her arm in a sling following an unusual accident. A sign in the Tourist Liquor Store dropped with some force on her momentarily extended arm, causing a painful injury.

CARD OF THANKS

I take this means of expressing my most sincere thanks to my many friends for the cards and messages of good cheer which I received while in the Southern Pacific Hospital. They were sincerely appreciated.

Frank Francischini

LEAKE VISITS

Mr. and Mrs. P. R. Leake have been sojourning at Homewood during the week. Leake, publisher of the Woodland Democrat, is the third district member of the state board of equalization.

SPECIAL MEETING

A special meeting of the governing board of the Truckee Public Utility District will be held at the district offices Monday, September 10 at 8:30 p. m. for the purpose of hearing the auditor's report and opening highway crossing bids.

THE PLAYERS STAR AT NEVADA LODGE

Blonde and beautiful Gwen Harmon and "The Players" are giving their musical best at the theater-bar of the famous Nevada Lodge on the north end of Lake Tahoe. The group presents a great variety of show tunes, rock 'n roll, and comedy skits that is making them a big name on the west coast.

Gwen Harmon and "The Players" will be entertaining at the Nevada Lodge until September 20.
